

## **STUDENT CONTRACT**

SUBMIT student contracts for each type of instruction you will provide. A student contract must be utilized for each student taking segment 1, segment 2, and receiving adult instruction. A STUDENT CONTRACT FORM – CHECKLIST is provided, to ensure that all information and language is included on the contracts. A sample of each contract is also included. If there are additional costs beyond the tuition, such as if you charge for materials, replacement segment 1 and 2 certificates; damaged textbooks; extra behind-the-wheel drives that go beyond 6 drives, etc., these charges need to be outlined on the contract.
